

## ACC Guild

The ACC has its roots in the Seattle Council of Catholic Women started at the request of Bishop O'Dea in 1918.

From the hands-on care of children in the beginning, Catholic Community Services was born. Members vision has been steady ; they work to help children through fund-raising activities, volunteering and advocacy.

We have two Circles at St Bridget and welcome new members. Those Circles are the St. Bridget Circle (contact Kathy Schober at 522-3313) and the Josephine McDermott Circle (contact Jennifer Tiesi at 522-4220).
