

## Bridge Group

Bridge groups have been an ongoing activity at St. Bridget's for many years. Such a great game, we wish everyone played! We have couples, ladies and a men's group.

Our ladies meet September through May (with December off) on the third Wednesday at 12:30 p.m. in the Fireside Room, and play 22 hands. We have 12 partnerships now and welcome new partnerships, or new substitutes (who may find partners among other subs). We play rubber bridge with ordinary scoring.

There are 5 couples in the evening group, and the men's group normally has 5 to 6 players.

The men's group meets every Monday afternoon at 1:00 pm in the St. Bridget library.
