Our Ministry is a "band-aid" for these families who are often a single parent and 4 children trying to get by on \$1000/month.

Families can stay up to 2 years.

No Drugs, No Alcohol, No Guns.

12-15 Parishioners available to go on home visits.

Five St Bridget Parishioners respond for a month at a time

Needy residents call the St Vincent de Paul main number and they FAX the request to the St Bridget Parish Office. We try to respond with 48 hours.
